ACRYLIC GRANITE SINK

**THE
MORDEN
KITCHEN
SINK
COLLECTION**

India's **Largest Range &**
Biggest Production Company
2023

MORDEN TECHNOLOGY

Morden technology acrylic granite, the hardest constituent of granite, constituent around more than 75% of the raw material used in these sinks. The acrylic granite is moulded with high grade resin using a special computer - controlled polymerization casting process in special high grade moulds. The resultant hardened, composite material is resistant to scratches, dents, stains, heat and cracks. The non-porous surface and velvety feel of the material conveys the impression of high quality instantaneously. Quartz sinks are not only visually appealing but highly functional.

PRODUCT

BENEFITS

Another advantage to consider with a acrylic granite sink, it is naturally maintaining its color very well on its own, which is why this material is in such high Demand. There are a wide variety of colors from which to choose as well, allowing you to match almost any decorating scheme in your home.

WE EXPORT WORLDWIDE

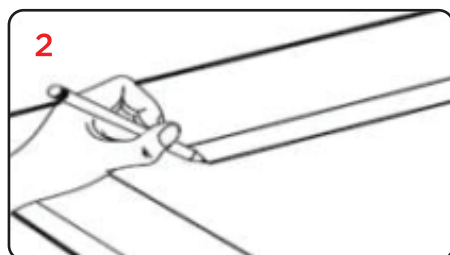

WE HAVE APPROVED QUALITY IN COUNTRIES

INSTALLATION OF THE SINK PREPARING A NEW COUNTER TOP

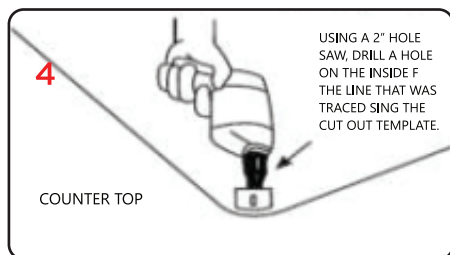

Trace the sink outline on the countertop (do not cut along this line).

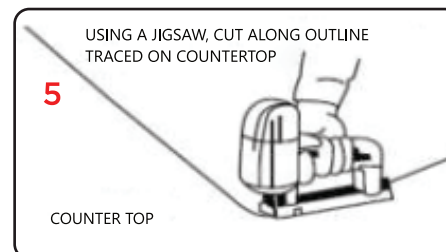

Draw a line 1 cm inside the sink outline.

Measure the cut-out line you just drew and compare to all dimensions (double check)

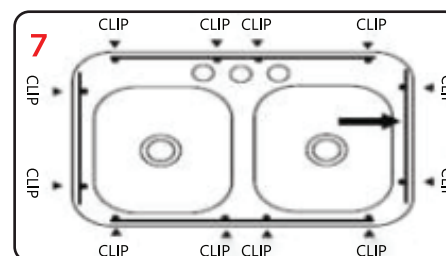

Using a 2" hole saw, Drill a pilot hole inside the cutting line.

Using a jigsaw, cut along the inside line to cut the opening in the countertop.

With sink in the upside down position, place a continuous and generous bead of silicone sealant around the entire perimeter of the rim. This serves as a watertight seal.

Lift sink, turn face up and lower into the countertop cutout opening. Wipe excess sealant from perimeter with a wet cloth

DRILLING TAP HOLE

Invert the Sink, Use the marking to Drill the Hole with Wood Cutting Bit

WE ALSO SERVED BATHWARE

DIGNITY AND GRANDEUR

Transform your lifestyle with the luxurious Bathroom products which gives a classy look to your washroom.

NOTE

This image shows a full page of a handwriting practice worksheet. It consists of multiple sets of three horizontal dashed lines, providing a guide for letter height and placement. The lines are evenly spaced across the entire page, which is otherwise blank.
